DECISION

PARTICULARS OF OFFENCE			
Player's surname	HARASIM	Player's forename(s)	Ionut Alexandru
Player's Union	ROMANIA		
Match	URUGUAY V ROMANIA		
Competition	July Internationals 2025	Match Date	12.7.25
Offence	Law 9.11	SELECT: Red card ☐ Citing ☒	
Finding of Committee <i>Foul play determined?</i> <i>Red card upheld?</i>	The citing commissioner referred this to FPRC on the basis of reckless conduct, in that the player raised his leg in an unnatural motion when jumping to catch the ball, resulting in his foot striking the face of an opponent. The Player accepted that his actions were reckless though not deliberate, and the video footage vouchsafed this. Given the contact to the head, the recklessness of the actions and the resulting injury, the RC test is met.		
Summary of Sanction	3 weeks suspension (two if the coaching intervention programme is opted for)		
Matches/tournaments included in sanction	1. Argentina XV v Romania (international) → 18.07.2025, 2. CS Rapid v CSM Stiinta Baia Mare (national) → 16.08.2025, [3. CSM Stiinta Baia Mare v CS Dinamo Bucuresti (national) → 23.08.2025] – THE PLAYER WILL BE AVAILABLE FOR NO.3 IN THE EVENT OF SUCCESSFUL COMPLETION OF THE COACHING INTERVENTION		
REASONS FOR DECISION			
1. The action of lifting the leg in proximity of an oncoming opponent was reckless, as the player accepted. 2. This resulted in contact with the face of an opponent, who sustained a laceration requiring stitches. 3. Contravention of Law 9.11 thus demonstrated. 4. Contact with the head means mid-range minimum. 5. Nothing in the case to take it to top range. Hence 6 week starting point. 6. Clean record and full mitigation available: 50%. 7. 3 match suspension; reduced to two if coaching intervention programme utilised.
