BEAT THE BALL

Put passers under pressure to pass accurately to score a try

YOU SAY

- Let's work on quick passing to score tries.
- Split into groups of four or five.
- One group of four will act as defenders.
- The first group stands at one end of the box. The first player has a ball.
- You aim to run straight and pass the ball before you are caught.
- When the first player passes, a defender who is standing about 2m from the pass runs across the pitch as the players pass the ball along the line, trying to catch the ball carrier.
- Each team has a go, and then swap defenders.

SESSION 10: ACTIVITY 3

YOU DO

- The starting distances are a guide because you may need to start the defender further away.
- You can run two boxes at the same time.

PROGRESSIONS

- If you feel funky, give extra points if the first passer runs around to take the last pass!

VALUES: LEADERSHIP

YOU SAY

- Let's split into pairs.
- Anyone can be a leader. But they don't need to be the leader of the team. How else could they be a leader?
- How can we practise to be a leader?
- **Being a leader is about being WILLING TO MAKE A CHOICE.**
- **Being a good leader is making good choices.**

SESSION 10: ACTIVITY 4

YOU DO

- Here are some possible ideas to explore:
- Other leader attributes: Attitude, behaviour, effort.
- Practise to be a leader: We can practice the skills we need to be leaders in our everyday lives, watch other good leaders, and try to emulate them. We can also ask for help from people in the community who we think are good leaders.

STARTS REVISION

Giving the players ownership of the game

YOU SAY

- Get yourself into groups of six or more with a ball.
- Discuss what a scrum, lineout, kick-off, free tap and pass, a touch-tackle and offside line look like.
- Now, when I say “go”, I want you to jog around.
- When I blow the whistle, I will tell you to set up a scrum, lineout, kick-off, free tap and pass, a touch-tackle and offside line.
- You will get one point if you are the first, two points if you are accurate.

SESSION 10: ACTIVITY 5
